In November 2018 construction of a modern residential complex in the center of Pula begins. The building is characterized by its contemporary appearance and will be exclusively used in top quality materials. The building will be built in 4 floors and has an elevator and an underground garage. It is located in an excellent location in the center of Pula, close to the sea and the old town. All the necessary facilities like ambulances, banks, pharmacies, post offices, shops, restaurants, children's parcels are located near the residential complex.

Apartment B38 is on the 4th floor of a residential complex with 166.49 m2 of living space and consists of two floors, the first floor consists of entrance hall, wardrobe, two bathrooms, bedroom, storage room, kitchen, living room and dining room, from which goes out onto the covered terrace. On the second floor which is connected to the stairs are two further bedrooms, a bathroom, a garderope, a hallway and a terrace.
