Building land in an excellent location in the center of Istria, very attractive due to its proximity to various tourist attractions and natural beauties that the region offers.

The land is near historic towns and beautiful beaches.

An ideal building plot with a large enough area for construction, surrounded by a natural landscape or a quiet neighborhood.

The land has access to all necessary infrastructure systems, water supply system, electricity network and road network.

Since it is land in the center of Istria, high-quality properties can be built that have a high value on the real estate market.
