Old price : 217.000 €

New price : 215.000 €

Building plot of 1281 square meters, located in a very attractive location in Pula. The land is located near the city, yet far enough away from the hustle and bustle of the city, which makes it ideal for building a family house or a residential area.

The land is located in a quiet and pleasant neighborhood, with a lot of greenery in the surroundings, which provides a pleasant and relaxing environment. The infrastructure nearby is excellent, with access to public transport, shops, schools and other necessary amenities.

The price of the land is very favorable in relation to its value and location.

In short, this is an excellent opportunity for all those who are looking for quality construction land in Pula in a great location at a very favorable price.

For any additional information about this property, please contact us by phone or email. We will be happy to answer all your questions and organize a viewing of the property in agreement with you.
