Hall for sale in Buje, land area of 1,930 m2. It consists of a hall and office space.

The hall has an area of 696 m2 and is intended for various industrial or business purposes. It can be used for storage, production or other similar activities. This size of the hall provides enough space for different needs and activities.

In addition to the hall, there is also an office area of 220 m2. This space can be useful for management and administrative purposes related to the work carried out in the hall. Offices provide work space for staff, meeting space and other necessary business amenities.

It is especially emphasized that there is a separate area for high-risk materials. The hall is equipped with space that meets the safety standards of the market.

The location of the hall is excellent and it is close to important transport routes, there is easy access to infrastructure, industrial areas and other key facilities.

If you are interested in buying this hall or viewing the building, call us with confidence.
